The SMMCS PTSA would like to implement a Parent Donation Program in lieu of catalog sales or other, more typical fundraisers. Time is always scarce and the Parent Donation Program has been very successful in other schools alleviating the burden of endless hours spent on traditional fundraising. We are asking parents for direct donations to support the above school programs.

To reach our goal for the 2009-2010 year, we are recommending a \$25.00 donation per student, but no donation is too small or too large! Corporate, community and grandparent donations are welcome. Your donation is **fully tax-deductible**.

You can also check with your employer for their matching donation requirements! Many companies have programs which encourage contributions to qualifying nonprofit organizations such as the SMMCS PTSA. This is a great way to double your donation! (Please remember to verify your employer's requirements before making your donation. Most companies require a certain minimum donation.)

Your support will allow the PTSA to continue to provide programs geared towards *academic and campus enhancement, parental communication and appreciation* for our well deserving students and staff. All expenditures are determined with the collaboration of the elected PTSA board, the SMMCS Administration.
